

We at JUST FOOD truly believe in the importance of consuming whole, real foods. Help us maximize your child's potential and eliminate neighbor envy by allowing our chef to supply them with a healthy and nutritious LUNCH BOX. No need spending time selecting your meal, we will create it for your children from the freshest local produce available, building each LUNCH BOX exactly the same, differing only from week-to-week. We only ask that you trust we know what your child wants... what their friends are eating.

Please fill out cards below & bring to your teacher along with \$8 for each week's LUNCH BOX. Ensure cards are returned to school with payment by the Monday before each JUST FOOD catering. ANY QUESTIONS, COMMENTS OR CONCERNS PLEASE CONTACT ME DIRECTLY @ 250.550.6664 OR justfoodcaters@gmail.com
